PART 5 – OTHER

5A: Any additional items, not included above, that the individual believes may pose a conflict of interest as pertains to their service as a trustee on Weber Basin Water Conservancy District's Board?

I could. I have no idea. I am an engineer, which could be a conflict. I have relatives who live in Morgan County, which could be a conflict. I have good relationships with many water users, which could be a conflict. I have good relationships with many water users, which could be a conflict. I have relationships with many engineering firms and contractors, which could be a conflict. I have relationships with lobbyist.....definitely could be considered a conflict. I have relationships with Legislators, which could be a conflict. There's not much I do that couldn't pose as a conflict of interest depending on the observer.

I hereby certify that the information provided in this disclosure is complete, true, and correct to the best of my knowledge.
